I'm a lifelong Disney nerd and even I picked up a goodly amount of things about Mickey, his creation and the studio that I didn't know. A very easy and entertaining read from start to finish. Highly, highly recommended

for any casual or serious Disney fan. Rating a book one-star because it isn't in e-format is silly, says nothing about the content of the book and is a disservice to the community of Disney and Mickey fans. 4 of 4 people found the following review helpful. An entertaining must for Disneyphiles, but.....By P. Lowe While probably not tons of new information for serious Disney fans, it's great to have it gathered and organized in one place. Neatly laid out in to-the-point bite size segments without the psychobabble too many books indulge in. It's a celebration of our affection for one of the most influential icons of our time from nostalgia to Mickey's continued influence. A detailed reference that's fun. The "but" part. I wish this could have been a "coffee table" book. It cries for graphics. When it talks about changes in Mickey's eyes and general appearance I wanted references right there! I wanted to see various mentioned Mickey merchandise, the hot air balloon and so much more. Not that we haven't see all that in many books, but this is THE Mickey book. 9 of 9 people found the following review helpful. Jim Korkis has another winner with The Book of Mouse! By disneykaren I love all of Jim Korkis' books and this one is added to my collection of treasures. His personal knowledge and thorough research make him a wonderful historian of Disney information. I would recommend this and all of Jim's books to anyone interested in Walt Disney history. I had the pleasure of meeting him and marveled at the information he has at the tip of his tongue, plus he's a really nice guy :)

HOW MUCH DO YOU REALLY KNOW ABOUT MICKEY MOUSE? In his 85 years of animated existence, ever-youthful Mickey Mouse has lived a memorable life. Now Disney historian Jim Korkis chronicles that life in mesmerizing detail. From Mickey's humble beginnings on Walt's Disney sketch pad through his dozens of films to his embodiment of the Disney dream and his popular appearances in the Disney theme parks - it's all here, in *The Book of Mouse*. From Steamboats to Theme Parks Until now, Mickey Mouse's life story was scattered across decades of books, articles, oral histories, and crumbling documents found only in the Walt Disney Archives. In *The Book of Mouse*, Jim Korkis brings together all of these essential elements for the first time into a narrative that celebrates this very special Mouse. Starting with the real story of Mickey's creation, Korkis weaves well-researched facts with charming, insider stories and anecdotes. You'll learn about the hidden secrets of Steamboat Willie, Mickey's first film; the astonishing success of the first Mickey Mouse Club; the Mickey cartoons never made; the history of the Mickey costumed character in the theme parks (and the people inside them); the special relationships Mickey had with presidents, movie stars, playwrights, magicians, and even astronauts; and plenty more jam-packed in over 300 pages. In addition, the book features a complete list of Mickey's film and television appearances, with plot summaries, production notes, and trivia. The Many Manifestations of Mickey Mouse Mickey Mouse is a film star. He's a television star. He's the star of best-selling books, cartoon strips, and comic books. His image sells millions upon millions of dollars in merchandise. He's the leader of the band, the central figure in the Disney universe, and perhaps the most recognizable character in the world. Everyone knows Mickey. But there's so much you don't know about Mickey. This is just some of what you'll discover in Jim Korkis' *The Book of Mouse: Debunking of the many myths still told about Mickey Mouse Complete, annotated Mickey Mouse filmography (1928-2013) The rise and rise of Mickey's merchandising empire History of Mickey Mouse at the Disney theme parks What Mickey meant to Walt Disney, in Walt's own words Dozens of bite-size "Mouse-ka-Tales" Plus answers to: How tall is Mickey? Where does he live? Why does he only have four fingers? Is he married to Minnie? And so much more!* *The Book of Mouse* is a biography, ethnography, and filmography in one, the world's first comprehensive, single-volume resource about Mickey Mouse. With its hundreds of fun stories, Mouse-ka-Tales, and Mickey milestones, the book is sure to enlighten and delight Mickey fans of all ages. Become the Mickey Mouse expert in your family!
