larry stanford : The Boston Bucket List: 100 Ways to have a real Boston, Massachusetts Experience before purchasing it in order to gage whether or not it would be worth my time, and all praised The Boston Bucket List: 100 Ways to have a real Boston, Massachusetts Experience:

The Boston Bucket list is an easy way to navigate the best things this amazing city has to offer. Written by a native New Englander, let the list be your guide to finding the best places to visit and explore as you spend your time wandering throughout the greater Boston, Massachusetts area.

About the Author Larry Stanford, a native of Newport, currently works as an Information Specialist at the Newport Visitors Center. He founded Ghost Tours of Newport in 2002. He has previously published *Wicked Newport* with The History Press.
