Mark Rennella : The Boston Cosmopolitans: International Travel and American Arts and Letters before purchasing it in order to gage whether or not it would be worth my time, and all praised The Boston Cosmopolitans: International Travel and American Arts and Letters:

This book traces the progression of cosmopolitanism from the private experience of a group of artists and intellectuals who lived and worked in Boston between 1865 and 1915 to finished works of monumental art that shaped public space.
