**Jerry Morris : The Boston Globe Guide to Boston, 7th** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Boston Globe Guide to Boston, 7th:

Explore Boston past and present with this guide featuring eight walking tours, a three-hour driving tour, and 13 quick trips to nearby destinations outside the city. Attractions include Beacon Hill, Faneuil Hall, the Freedom Trail, the

Black Heritage Trail, the North End, and much more.

From the Back Cover A seamless blend of past and present, Boston offers an inexhaustible supply of places to go and things to do. Come and explore New England's hub - its modern attractions as well as its historical monuments. This guide offers valuable information on:

- Walking tours - eight routes, each easy to personalize, through a city made for walking
- Driving tour - a three-hour drive that covers both modern and historic attractions
- Cambridge - the city across the Charles that combines grand traditions, classic art, and an international community
- Renowned museums - the Museum of Fine Arts, Boston Children's Museum, Isabella Stewart Gardner Museum, New England Aquarium, and many others
- Historical sites - the Freedom Trail, the Black Heritage Trail, Beacon Hill, Boston Common, Faneuil Hall, and more
- Day trips - thirteen quick trips outside the city, including Lexington and Concord, Salem, Cape Cod, and Newport
- Practical tips - on public transportation, shopping, and sports and recreation, with complete updates on accommodations, dining, and entertainment options
