**Edward Axtell : The Boston Terrier and All About It: A Practical, Scientific, and Up to Date Guide to the Breeding of the American Dog** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Boston Terrier and All About It: A Practical, Scientific, and Up to Date Guide to the Breeding of the American Dog:

1 of 1 people found the following review helpful. Boston Terrier HistoryBy Eddie BIf you are looking for Boston Terrier history, this is the book.. I loved it1 of 2 people found the following review helpful. A must for Boston Terrier ownersBy pckpA must read for all interested in Bostons from one of the developers of the breed. Learn about where and how these incomparable companions come from, and what is inherent in their nature. Also, who their direct

cousins are. Have breeders strayed too far? Good shipper0 of 0 people found the following review helpful. How Can Anyone Not Love a Boston Bull?By BeatleBangs1964How can anyone not love a Boston? The appealing little bulldog has been called "the gentleman's bulldog" and was a breed developed in the Boston area by cross breeding old English bulldogs with a now extinct small terrier. The result was this adorable little bulldog with bat wing ears; a whimsical expression; keen intelligence; a stump to absent tail and boundless energy. As a group, Bostons tend to be good family pets. The smart little bulldog breed is neatly presented in this delightful reprint with equally delightful photographs of the Boston from bygone generations. There are also stories about famous Bostons.Dog lovers will no doubt enjoy this book. When you see an adorable little Boston, how can you not love that face and personality?

This is a pre-1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts - the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide.
