Sparky Thorne : The Carnival Never Ends before purchasing it in order to gage whether or not it would be worth my time, and all praised The Carnival Never Ends:

The author spent years on a Caribbean island so he knows the inside story of how these small countries operate. I think it might be good advice to look before you leap at moving to a Caribbean island.

It is a vacation between two covers; a great way to enjoy an exciting Caribbean adventure in the comfort and safety of your own home. A dark comedy that takes an inside look at Caribbean life; the good and the bad. It is also a mystery

filled with intrigue, deception, and mistaken identity. Add to that an exotic locale filled with a cast of colorful characters and you have - The Carnival Never Ends.

"If he promises to keep writing, I'll burn my library card." -- Cori Clarey, Panama City Beach, FL
About the Author

When he wasn't diving or performing for international tourists he spent his time soaking up the stories and myths of the local culture. He immersed himself in the language befriending a colorful array of characters that became an important part of his everyday life. Sparky and his wife currently reside in Panama City Beach, FL where they own and operate a Caribbean fine-dining restaurant called the Hurricane Grille.
