**Edward G. Henry : The Central Catskills: A Ranger's Guide to the High Peaks (Catskill Trails, Book 2)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Central Catskills: A Ranger's Guide to the High Peaks (Catskill Trails, Book 2):

3 of 3 people found the following review helpful. Useful and informative.By treehuggerA well-researched guide to some of the most popular Catskill destinations that goes way beyond the usual turn by turn trail decriptions of many hiking guides. The author does a great job of interpreting the Catskill scenery, explaining the geological forces that

shaped the land to make the Catskill Mountains the hiking paradise it is today, while acknowledging the effects of overuse and man-made structures upon the environment. 1 of 1 people found the following review helpful. Five Stars By Robert Makara Great 0 of 2 people found the following review helpful. Came in Unreadable Condition By HONDOSorry for the bad review but the copy I received was Dog eared and water damaged. It was not in the condition described.

Book Two: The Central Catskills with keys to hikes, trail maps, photos. Mount Tremper, Overlook, Ashokan High Point, Slide, Giant Ledge, Panther, Cornell, Wittenberg, Belleayre, Balsam, Haynes Eagle, Big Indian, Peekamoose, Table Mountain, Dry Brook Ridge, Balsam Lake, Doubletop, plus the trail-less High Peaks.

A must. The book offers easy-to-follow directions and spices them up with fascinating historical and natural lore. -- Hudson Valley Magazine, February 2001 Edward Henry ... lets us vicariously experience a hike, the real hike of a natural historian. -- New York History, Winter, 2001 His trail descriptions [are] complemented by generous offerings of information on the forest, animals, geology, and history of the land. -- TrailWalker, May/June 2001 I would add an eleventh to Edward Henry's ten Hiking Rules and Guidelines: pack and use Catskill Trails. -- New York State Conservationist, April 2001
