**From Belt Publishing :** The Cleveland Neighborhood Guidebook before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cleveland Neighborhood Guidebook:

This book is for those who want to understand what radiates away from Terminal Tower, and who understand that as lovely as the city often is, it can sometimes be brutal, too. You will read about places no longer here, such as the Little

Italy Historical Museum and League Park, as well as increasingly popular areas, such as North Collinwood and Asiatown. You will learn about Cleveland Heights's natural history, Mount Pleasant back in the day, and Opportunity Corridors missed. The writers tell you stories about starting a business in Ohio City, marketing Larchmere, first time home buying in Detroit Shoreway, self-loathing in South Euclid, troubling developments in Tremont, closed schools in Lee-Miles, and a vineyard in Hough. Bound together, they conjure a Cleveland as complex as are its residents. The least practical, most literary guide to the city, *The Cleveland Neighborhood Guidebook* includes essays by: Greggor Mattson on Kinsman Amy Hanauer on Shaker Heights Lee Chilcote on Detroit-Shoreway Tom Orange on Brooklyn Centre Benno Martens on North Collinwood Mansfield Frazier on Hough Sally Errico on Lakewood And many more! Plus Editors Picks for the city's best hikes, dive bars, restaurants, places to live and more.
