JRBrent Ritchie, G.I. Crouch : The Competitive Destination: A Sustainable Tourism Perspective before purchasing it in order to gage whether or not it would be worth my time, and all praised The Competitive Destination: A Sustainable Tourism Perspective:

0 of 0 people found the following review helpful. Five StarsBy LaurenItem arrived quickly and in described condition!

This book provides a framework for understanding the complex and multifaceted nature of the factors that affect destination competitiveness. It offers guidance on how to create successful destinations by developing and presenting a conceptual model of destination competitiveness that recognizes the importance of sustainability for long-term

success. The book presents a strong theoretical background for managerial decision-making, giving destination managers a range of tools with which to analyse and increase the competitiveness of their areas.

"An important and welcome contribution to the literature of tourism studies. Highly recommended". S A Schulman, Choice "This book is an articulate and valuable contribution to the tourism literature... It is likely to become a standard reference for many years to come." Geoffrey Wall, Tourism Recreation Research" --that recognizes the importance of sustainability for long-term success. About the Author G.I. Crouch is at La Trobe University, Australia.
