**J. David Petruzzi : The Complete Gettysburg Guide: Walking and Driving Tours of the Battlefield, Town, Cemeteries, Field Hospital Sites, and other Topics of Historical Interest** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Gettysburg Guide: Walking and Driving Tours of the Battlefield, Town, Cemeteries, Field Hospital Sites, and other Topics of Historical Interest:

0 of 0 people found the following review helpful. Best guide in my opinion for touring GettysburgBy BruceBThis hardcover guide of the Battle of Gettysburg is exactly what I wanted. Could not be better. Filled with color maps, directions, photos and stories of "as it happened" those 3 days in 1863. If you are going to tour Gettysburg, this is the book you want to use. You will not be disappointed!2 of 2 people found the following review helpful. Very good guide to Gettysburg battlefieldBy Tom BetzThis is a very good guide and help to those who are visiting the Gettysburg battlefield. I have been to the site twice now, and know I do not have a full appreciation for all this battle involved. The guide helps bring the highlights out and helps the visitor as they begin the tour or if they are looking for a specific part of the battle or a monument.0 of 0 people found the following review helpful. ... a trumper and enthusiast of the battlefield needs to enjoy their visit to GettysburgBy David MarshallEverything a trumper and enthusiast of the battlefield needs to enjoy their visit to Gettysburg. Will be used over and over again and enjoyed by the student and Civil War buff.

Winner of The Army Historical Foundation Distinguished Writing Award, for Reference, 2009. Some two million people visit the battlefield at Gettysburg each year. It is one of the most popular historical destinations in the United States. Most visitors tour the field by following the National Park Services suggested auto tour. The standard tour, however, skips crucial monuments, markers, battle actions, town sites, hospital locations, and other hidden historical gems that should be experienced by everyone. These serious oversights are fully rectified in *The Complete Gettysburg Guide*, penned by noted Gettysburg historian J. David Petruzzi and illustrated with the lavish, full-color photography and maps (70) of Civil War cartographer Steven Stanley. Complete, detailed, and up-to-date, *The Complete Gettysburg Guide: Walking and Driving Tours of the Battlefield, Town, Cemeteries, Field Hospital Sites, and other Topics of Historical Interest* includes:- Detailed driving and walking tours of the entire battlefield (including obscure sites that even veteran visitors miss or never hear about); - A tour of every identified field hospital site for both armies; - Tours of the National Cemetery and the towns Evergreen Cemetery; - A tour of the town of Gettysburg, including sites of historical interest before and after the battle;- Outlying battlefields including the June 26, 1863 skirmish site, East Cavalry Field, South Cavalry Field, Hunterstown, Hanover, and Fairfield; - And a special tour of the various rock carvings on the battlefield, many of which were created by returning veterans and pre-date most of the monuments. Every student of Gettysburg, novice and expert alike, will want to learn from, enjoy, and treasure *The Complete Gettysburg Guide*. No visitor to Gettysburg will want to be without it. About the Authors: J. David Petruzzi is widely recognized as one of the countrys leading Gettysburg experts. In addition to his numerous articles for a wide variety of publications, he is the author (with Eric Wittenberg) of bestsellers *Plenty of Blame to Go Around: Jeb Stuarts Controversial Ride to Gettysburg* (Savas Beatie, 2006) and (with Wittenberg and Michael Nugent) *One Continuous Fight: The Retreat From Gettysburg and the Pursuit of Lees Army of Northern Virginia, July 4-14, 1863* (Savas Beatie, 2008). Petruzzi is also a popular speaker on the Civil War Roundtable circuit and regularly conducts tours of Civil War battlefields. Steven Stanley lives in Gettysburg and is a graphic artist specializing in historical map design and battlefield photography. His maps, considered among the best in historical cartography, have been a longtime staple of the Civil War Preservation Trust and have helped raised millions of dollars for the Trust through their preservation appeals and interpretation projects. Steves maps have appeared in a wide variety of publications.

**"WINNER FOR REFERENCE, 2009, ARMY HISTORICAL FOUNDATION DISTINGUISHED BOOK AWARD"** "Together, the text and maps contained in *The Complete Gettysburg Guide* create one of the most useful and comprehensive guides of Americas largest and bloodiest battlefield available today." (Eric A. Campbell, Park Ranger-Historian, Gettysburg National Military Park) "The Complete Gettysburg Guide has something for everyone, whether they are a serious student of the battle or visiting the battlefield for the first time. The easy-to-understand guidebook not only provides readers with a comprehensive history of the battle, but also enables visitors to see some of the unusual or often overlooked features the National Park has to offer. Further, the accompanying images and well-researched maps bring the 3-day struggle to life for the modern battlefield traveler." (Jim Campi, Policy and Communications Director, Civil War Preservation Trust) About the Author J. David Petruzzi is widely recognized as one of the countrys leading Gettysburg experts. In addition to his numerous articles for a wide variety of publications, he is the author (with Eric Wittenberg) of bestsellers *Plenty of Blame to Go Around: Jeb Stuarts Controversial Ride to Gettysburg* (Savas Beatie, 2006) and (with Wittenberg and Michael Nugent) *One Continuous Fight: The Retreat From Gettysburg and the Pursuit of Lees Army of Northern Virginia, July 4-14, 1863* (Savas Beatie, 2008).
