Outstanding resource!By Surffnutt3000I'm in the travel industry and am oftentimes disappointed by the out-of-date information found in other cruise guides. I consider The Complete Guide to Caribbean Cruises, however, to be one of the absolute best resources to use when planning a cruise vacation. The guide has a great layout, is highly accurate, and provides the kind of information useful to both novice and "expert" cruisers. In my opinion, The Complete Guide to Caribbean Cruises is a must read for anyone considering a cruise!3 of 4 people found the following review helpful. Very helpful!By D. HoeffelThis is the best guide for Caribbean Cruises! I checked out others before ordering this one and this one was the most comprehensive. I have never been on a cruise before but, after reading this book, I feel very prepared!
