**Susan Reigler : The Complete Guide to Kentucky State Parks** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Guide to Kentucky State Parks:

0 of 0 people found the following review helpful. this has tons of great information. it is the best book i have ...By Customerthis has tons of great information. it is the best book i have gotten in years with information for traveling and what's available at all the different parks.0 of 0 people found the following review helpful. Very informative and fun to readBy TrilliumHillsIf you are looking for parks to visit in Kentucky and want to get a sense of them this is a very good book. They give you a lot of information on activities and what each park is like.1 of 1 people found the following review helpful. Great bookBy G. L. TantyThis is an excellent summary of the state parks in Kentucky. Good info on each location. The only reason I'm giving it 4 star instead of 5 is that they should have included state historical sites. This is a separate category, but since no other book covers them, they should be in here.

The Complete Guide to Kentucky State Parks is the one-stop resource for information on great places to view Kentucky's natural beauty, tour historical sites, golf, camp, fish, hike, backpack, swim, ride horseback, rock climb, and enjoy almost any other type of outdoor recreation. Whether you are a day tripper, weekend escapee, or weeklong camper, this unique guide is ideal for any one of the seven million visitors who enjoy Kentucky state parks each year. Author Susan Reigler showcases all forty-nine state parks and historical sites, as well as the Kentucky Horse Park, the Breaks Interstate Park, and the Falls of the Ohio State Park. The book contains vivid details and numerous lush photographs and is organized geographically to help with planning trips around the state. A comprehensive map is included for each region. For every park, the essential information is provided: Natural or historical attractions of the park Types of recreation available Camping and lodging facilities, museums, and gift shops Addresses and phone numbers Magnificent color photographs 170 in all If you want to see the moonbow at Cumberland Falls, one of only two in the world, to listen for a ghostly bugle at Perryville Battlefield, or to explore the longest cave system in the world, let this book be your guide. Don't be without it when planning your vacation in Kentucky.

"Susan Reigler's words and Pam Spaulding's photographs should immediately whet the appetite of Kentuckians to drop everything and descend upon their state parks with great enthusiasm, as there is much more to offer than was previously known or considered." James Archambeault, author of *Kentucky Horse Country: Images of the Bluegrass* "These are the Kentucky state parks and historical locations I recognize. All of them, except nine, Nina and I have visited. In fact, we had our delayed honeymoon in a cabin at Natural Bridge State Park in a snowstorm in 1959! Luxuriate in these pictures and narratives but, by all means, visit them yourselves. Then, write your own stories." Nick and Nina Clooney "Reigler's descriptions of each park's highlights are as enticing as Spaulding's photographs An invaluable guide to what Kentucky offers in its vast backyard, *The Complete Guide to Kentucky State Parks* will prove to be a useful resource well into the future." *Business Lexington* "A one-stop resource of all that is Kentucky in its landmarks, landscapes and historical sites, the book proves that one does not have to travel too far to relax, recharge and enjoy all while being cost-conscious." *Chevy Chaser* "Packed with more than 150 evocative color photos, this paperback is a must for anyone who wants to take advantage of the commonwealth's bounty." *The Voice-Tribune* "Reigler's knowledge and practical advice, coupled with Spaulding's beautiful photography, makes for an informative and beautiful travelogue on Kentucky State Parks." *Lexington Herald-Leader* "The Complete Guide to Kentucky State Parks will take you on an enjoyable journey across the state and leave you anxiously awaiting your next trip to one of the many parks of the Bluegrass." *Paintsville Herald* "What makes the work a real gem are the beautiful photographs- there is at least one on every two-page spread- and Susan Reigler's lovely and very personal prose." *Kentucky Kaleidoscope* About the Author Susan Reigler is a former restaurant critic at the *Louisville Courier-Journal* and is the author of *Compass American Guides: Kentucky* as well as *Adventures in Dining: Kentucky Bourbon Country*. Pam Spaulding is a veteran photographer and photojournalist based in Louisville.
