I would highly recommend this sellerBy Jonathon TrimbleI would highly recommend this seller. The book came just as advertised, its a wonderful resource for "the first time cruiser" or "the seasoned cruise traveler".... love the book and loved the seller. You can buy from them with confidence.... thanks so much!0 of 0 people found the following review helpful. Great information!By Michelle A. DunnI have been on 15 cruises, and this

book is right on. I have read alot of books about crusing and if you have never been on a cruise or have been on many, you will enjoy this book. Gives you little tips and tricks and just explains how things all work on the cruise ship and in the ports you visit. Everything from the food, what to wear, how to pack, the staff and entertainment.

Soft cover book in great condition.
