**Doug Ingersoll : The Complete Idiot's Guide to Walt Disney World, 2010 Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Idiot's Guide to Walt Disney World, 2010 Edition:

0 of 0 people found the following review helpful. Very ConciseBy C KrayI loved how concise and user-friendly this book is. I also bought the "Unofficial Guide" which is a thick reference, but I often found myself grabbing this book for a quick reference. It has some really valuable ways to organize information that makes it easy to access. It introduces you to the large amount of information needed in a very simple format. You can quickly thumb through

every ride or restaurant at the Magic Kingdom in an instant. When it comes to planning your days, this saves a lot of time. The helpful tips are a nice touch, too. This book helped me get the big picture. Then, I continued my research deeper. The more in-depth resources were too overwhelming at first. 0 of 0 people found the following review helpful. some guideBy asubtbhmdidnt learn any thing useful in this book. just like any other book -nothing special. better ioff online where you learn more useful info0 of 0 people found the following review helpful. Five StarsBy Robert E LeeGreat item-Great price. Super fast shipping!

Mouseketeers will be all ears This guide to the happiest place on earth takes the guesswork out of planning the perfect Disney vacation. It goes beyond general descriptions of rides, hotels, and restaurants and instead offers readers advice based on the type of trip they want. Whether its for a family spring break, a honeymoon or a convention, this book will help readers make the most of their time at Disney World. Features cut-out touring itineraries with detailed maps for each park Includes an eight-page color insert that captures the magic of Disney World Up-to-date prices and hotel, park, and dining information Download a sample chapter.

About the AuthorDoug Ingersoll is the author of Plan Your Walt Disney World Vacation in No Time and a marketing manager in publishing. A lifelong Disney World fan, Doug has a unique itinerary system included here. Over the years he has refined his attraction, hotel, and restaurant reviews over literally dozens of visits, including family vacations, bachelor weekends, and romantic getaways.
