Doug Ingersoll : The Complete Idiot's Guide to Walt Disney World, 2012 Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Idiot's Guide to Walt Disney World, 2012 Edition:

I like the way it is organized/laid out. I buy the newest version for each Disney trip. Lots of helpful information regarding hotels, restaurants and parks. 2 of 3 people found the following review helpful. not nearly enough. By rainy day i'm wondering if maybe the Kindle edition of this book

left some things out. there is some detail about the resorts (though not really enough to make an informed choice). some resorts have star ratings, others simply don't have that category listed. there is no way to even compare what the author thinks of them. there is extremely little detail about the park rides and dining. just a gloss-over. maybe there are a few chapters at the end of the book that were left off during the transcribing to ebook? not a useful guide for planning a trip to Disney World. I wish i had looked at it sooner after purchasing so that i would have been able to return it. if it does turn out that there are missing bits - will or "Idiot's Guide" please pass them along? also - this book is the same price as another (very detailed) guide that was released the same day. the idiot's guide is less than 1/4 the length of the detailed one. 1 of 1 people found the following review helpful. WALT DISNEY WORLD IDIOTS GUIDE By Donna M. Toohey THIS WAS SUPER EASY TO USE GREAT TOOLS AT END OF THE BOOK - BROUGHT THE TRAVEL CARDS TO THE WORLD WITH US HAD HANDY INFORMATION AT MY FINGERTIPS THROUGHOUT THE PARKS SIMPLE ADVICE THAT HELPED TO MAKE PLANNING EASY :)

Features the most up-to-date ride ratings, prices, and hotel, park, and dining information. Includes itineraries, planning cards, and maps.
