Fran Wenograd Golden, Fran Golden : The Complete Idiot's Travel Guide to Cruise Vacations (Complete Idiot's Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Idiot's Travel Guide to Cruise Vacations (Complete Idiot's Guides):

9 of 10 people found the following review helpful. An excellent overview of cruise travel for the novice. By A Customer
An enjoyable introduction to the world of cruise travel, this book provides a thorough overview for those of us new to this form of indulgence. I have read Cruise Travel magazine and various cruise travel guides, in anticipation of our first cruise. This book offered the first detailed step-by-step approach to making all the important decisions. The contents covers seven area: making the decision, tips on discounts and deals, the cruise lines and their ships, cruise planning practicalities, the ports of embarkation, what to expect of the cruise experience, visiting the ports of call, and wrapping up your cruise. I highly recommend this to anyone planning their first (and subsequent) cruise.

Don't miss the boat - cruising is hotter than ever! Since the early 1980's the number of people going on cruises has increased fourfold. This is the perfect guide for first-time cruise passengers, containing tons of information on what to expect, from boarding and tipping to dining and shore excursions. **THE COMPLETE IDIOT'S GUIDE TO CRUISE VACATIONS** takes you beyond all the brochures that look alike and gives you the lowdown on each one, so you can choose a cruise that's right for you. Includes worldwide cruises : not just Caribbean but also Alaska and beyond.
