**Chris Doyle : The Cruising Guide to the Leeward Islands: 2004-2005** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cruising Guide to the Leeward Islands: 2004-2005:

2 of 2 people found the following review helpful. Best there is!By William J. MurrayThe Cruising Guide to the Leeward Islands is the single source material needed, other than maps, for those bareboating yachts in the Leewards. The information is up to date from where to dock to where to provision.

This popular guide now features GPS coordinates for many of the favorite anchorages and harbors for these islands. All-new full color sketch charts are helpful for navigation and indicate the best anchorages. The guide covers the islands from Anguilla to Dominica and all the latest information on everything from customs procedures to restaurants.
