Lisa Meyers McClintick : The Dakotas Off the Beaten Path, 8th: A Guide to Unique Places (Off the Beaten Path Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dakotas Off the Beaten Path, 8th: A Guide to Unique Places (Off the Beaten Path Series):

1 of 1 people found the following review helpful. Nothing You Can't Find Online For FreeBy KJCSO, there aren't

many options for travel books to the Dakotas. I am a fan of Frommer's with occasional use of Fodor's when necessary, but neither of those brands cover the Dakotas (hope that isn't a sign for my upcoming summer vacation). When I ordered this I understood from other reviews that this was pretty much going to cover the standard tourist spots and not so much the "off the beaten path" spots as advertised in the title. I would have to agree, I had already done online research on all the places I was looking to go and there wasn't much that was new to me in this book. What I was hoping for more of were things like ratings and recommendations in an easy to read format. There was some restaurant and hotel guide information, but it did not include ratings or costs. I would have liked a little different organization - similar to what I am used to with other travel books. While the chapters were broken into various areas of the states, the text within each chapter pretty much ran continuously with the places of interest in bold. I would have much preferred each point of interest as it's own heading with a description of what it was about, the age appropriateness of point of interest, cost, time period it was open, and a rating. Perhaps the book will come in useful when I am on my vacation, as I always like to have an offline guide with me just in case, but so far, I think TripAdvisor or free info from the Office of Tourism will get you to the same place as this book and you can save some money. 0 of 0 people found the following review helpful. Five Stars By Mary Bought it for my in laws and they love the information! 0 of 0 people found the following review helpful. Five Stars By Irma T. great help in planning our trip

Dakotas Off the Beaten Path features the things travelers and locals want to see and experience if only they knew about them. From the best in local dining to quirky cultural tidbits to hidden attractions, unique finds, and unusual locales, Dakotas Off the Beaten Path takes the reader down the road less traveled and reveals a side of North and South Dakota that other guidebooks just don't offer.

Praise for the Off the Beaten Path series
