Fraudulent Information By Priscilla The information contained in this book falsely portrays Pine Ridge Reservation and its' people. The author has called the predominant character "Chief" and there is no living Chief on Pine Ridge. She has been confronted about this book and continues to market it and its' fabrications. This book should be discounted due to the author's lack of veracity.

They lived together on the Indian reservation in the village of Wounded Knee, South Dakota. This is her real-life memoir of Truth. Remember Wounded Knee!
