Leonard Kinsey : The Dark Side of Disney before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dark Side of Disney:

Even if you have gone a million times as a kid, going to Disney as an adult is, to some, "childish". I beg to differ! Bring this book along with you as you enter the "dark side" of all things Disney! I don't know if I would go so far as to use any hallucinogenic on the trip, but I am taking some of the travel and budgeting advice very seriously! Kinsey has a true appreciation for Disney and their legacy, and while he does voice some

frustrations about shifts in the parks, he still offers some great advice on ways to enjoy all of the parks, hotels, and of course, bars. A great, quick read about the most magical place on earth!1 of 1 people found the following review helpful. From a Disney pro ... I love this book!By Rene A.I love this book ... I live in Florida only a couple hours from Disney World and go there quite frequently. I really enjoyed the way the author sheds light on some secrets I even had no clue existed Also the way he writes is very funny and amusing, one of the first stories he tells about his friends driving to Disney is absolutely hilarious!1 of 1 people found the following review helpful. Oh tell me moreBy PowersI love Disney and this was an eyebrow raising but not really shocked kind of book. An easy to read and honestly quite funny at times.

THE DARK SIDE OF DISNEY reveals all of the tips, tricks, scams, and stories that THEY don't want you to know about! Unabashedly unafraid of offending the family-oriented audiences catered to by other Disney travel guides, author Leonard Kinsey gives intrepid travelers access to the seamy, raunchy, and often hilarious underbelly of Walt Disney World. From cautionary tales of scoring illegal tickets, to thrilling accounts of exploring off-limits areas, to chronicles of drug-induced debauchery, this completely unauthorized guidebook will change the way you think about vacationing at "The Happiest Place on Earth". "Pack the trunks and leave the kids at Grandma's because THE DARK SIDE is about to make your next Disney vacation the best one ever!" -Chris Mitchell, author of CAST MEMBER CONFIDENTIAL

"It's the finest collection of underground WDW stuff ever assembled and is a true bright light in a world gone bland.... Buy this thing and treat the naughty side of your brain to some adventure."-Hoot Gibson, Mesa Verde Times"For the first time in 29 years, I'm actually inclined to visit the Magic Kingdom.... This is the GREATEST travel guide ever."- William P. Tandy, editor/author of Smile, Hon, You're in Baltimore!"I found it to be an entertaining read, but it's definitely different from the usual books.... Those who don't buy into the Disney "magic" may find it most interesting of all, though Cast Members will also recognize the undercurrent of reality in this book, missing from most other guides." -Kevin Yee, columnist at Miceage.com"...it's the literary equivalent of 'Jackass.' In that you get the pleasure of reading about how Kinsey and Co. broke the rules without then having to deal with any of the consequences of breaking the rules yourself." -Jim Hill, JimHillMedia.com"This is a title I would recommend for someone who has seen it all and is looking for something different. It is also a great read for anyone that wants more than just the regular theme park experience. Or someone who thinks Disney is only for kids."-George Taylor, Imaginerding.comAbout the AuthorLeonard Kinsey was born and raised in Clearwater, FL, and was lucky enough to visit Walt Disney World over 100 times by age 18. As an adult he still harbors an unhealthy obsession with The Mouse, has acquired a large collection of vintage EPCOT Center memorabilia, and visits WDW at least once a year, maintaining connections throughout the rest of the year with Cast Members and other Orlando-based friends and relatives. In his spare time he has published a comic book and written and directed a feature film which received international distribution. He is also the guitarist in a rock band who appeared on a hit FOX show and released two internationally acclaimed CDs.
