Betsy Malloy : The Disneyland Book: 101 Surprisingly Simple Ways to Add Wow! To Your Vacation: An Unauthorized Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised The Disneyland Book: 101 Surprisingly Simple Ways to Add Wow! To Your Vacation: An Unauthorized Guide:

4 of 4 people found the following review helpful. Highly disappointing!By DiannaThe comic book approach made the presentation totally cluttered - hard to get to the point of the book and that was... to get tips at a glance - something that was quik reading yet to the point on how to maximize the visit to Disneyland based on the writer's personal

experience. Although I did preview the book at AMAZON it just left me thoroughly disappointed and I did not find it useful at all. The tips to me were common sense. I had also purchased the Unofficial Guide to Disneyland which I found beneficial. I also googled the topic and found a wealth of information that avenue, too plus networking with friends. I was just trying to obtain as much info as possible since it had been a very long time since my last visit. I'd rather have seen pix from Disneyland itself and nix the comic book approach By seeing pix of Disneyland, it would be far more exciting awaiting the anticipation of experiencing Disneyland ...1 of 1 people found the following review helpful. More like a brochure than a book.By Aech KayeThis book is THIN. The "tips" are good, but not anything you can't find in many other versions of Disneyland guidebooks. This is ideal for someone who is COMPLETELY unaware of how the Disney Parks work. This is NOT for someone who has been before. The tips are super basic, but the pictures make it fun. Ideal audience might be a child or preteen getting ready to go for the first time. If the author remade this book with a younger audience in mind, and made it thicker and included information about the rides and attractions, I think it would be a big hit.2 of 2 people found the following review helpful. Typeface too smallBy Riff-RaffI love to read books about Disneyland. I'm always looking for extra bits of information on how to make my trips better. Unfortunately, after I downloaded this book to my Kindle, I couldn't even read the comic strips because the typeface was very small. I don't have the Kindle Fire, so I don't have the option of trying to make it larger. So I can't really say if it's a good book or not since I couldn't read it.

You've never seen a Disneyland guide book like this one before. Updated for 2014, it has over a dozen brand new tips and enough updates to fill a box of crayons. Best of all is the new, exclusive reader discount on Disneyland Tickets. It can save you more than the cost of this book in just 5 minutes.This book is a revolutionary new way of giving you the insights you need to add WOW! to your Disneyland vacation - not as a boring list of motherly tips - but in the form of a comic book. For less than the cost of parking you can add pizzazz to your Disneyland vacation: Lose the Wait: Save 3 hours to spend on something more fun than standing in line Ticket Discount: An exclusive ticket discount that's one of the industry's best New for 2014: A dozen brand-new tips, a half dozen improved ones and lots of cheerful, new images. Wow Your Companions: You'll find lots of little-known tricks and fun, hidden ways to make your friends and family say Wow! The entertaining, colorful comic strips will show you what to avoid at Disneyland and Disney California Adventure, help you have more fun, avoid common pitfalls and save money. Use it and your travel companions will think you're a trip-planning genius. Instead of a list of every ride or every hotel in the area, this book focuses on what other Disneyland books don't tell you: the little disasters that can happen. Then it provides tested, simple ways to avoid them.

...the book is a cheerful ode to the iconic theme park and is jam-packed with highly useful and practical tips. But what truly distinguishes it from other guides is that it presents the info in a fun, highly visual, and engaging style. -Arthur Levine, Theme Parks at About.comFrom the AuthorFor the 2014 edition, I've read all the reader comments, good and bad. I've done my best to improve the quality of the tips. but best of all, I found a partner who will give you one of the few discounts on Disneyland tickets available online. I hope even more people will be saying "Wow!" That was the best Disneyland book I ever read! And I had so much fun at Disneyland!" Why did I start this project, you may wonder. After writing about the "Happiest Place on Earth" online for over a decade and writing a traditional printed Disneyland book, I decided it was time to re-evaluate: What would make the best Disneyland book to help people have more fun at Disneyland and California Adventure? I didn't want to write just another dry, boring guide book with a list of tips that sound like they came from your meddling old auntie, but instead to do something that could be as much fun for readers as the Disneyland Resort theme parks are for their guests. Then one day it all came together: Why not make those 101 tips I'd collected into a comic book, using photographs instead of drawings? The result is The Disneyland Book, where every tip is there to help you avoid a Disneyland vacation fun-killer, time-waster or wallet-drainer. From the Back CoverYou're about to open a travel guidebook unlike anything you've seen before. Inside is a revolutionary new way of giving you the tips you need to add WOW! to your Disneyland vacation. Instead of writing just another long, rambling book about Disneyland, the author decided to make the whole thing fun.Who is the author Betsy Malloy and why should you listen to her? Betsy has writtenabout Disneyland online for more than a decade, making frequent trips to the "Happiest Place on Earth," watching what other visitors do right (or wrong), collecting ideas based on her experience and talking to everyone - from industry insiders to season passholders who have been there more than 100 times - aboutwhat they do and why. Then she tested every single tip herself to be sure they all work.You're going to Disneyland, so what could be a more fun way to give you all those great ideas than a comic book? The comic strips inside will show you whatto avoid and help you have more fun, avoid common pitfalls and save money. Your travel companions will think you're a trip-planning genius.
