Lots of oohs and ahhs so she loved it. I will try to update the post once I find out if she actually used it at The Happiest Place on Earth.1 of 1 people found the following review helpful.

Very nice resource! By Ed A. Great Book by a local resident who has been to Disneyland countless times. 0 of 4 people found the following review helpful. I returned it since it's much too large of an ebook to deal with without a table of contents that would allow me to navigate through it easily. It may have wonderful information, but if I can't find it then it's pretty useless.
