**Bob Halstead : The Dive Sites of Papua New Guinea** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Dive Sites of Papua New Guinea:

And what he knows for sure are the islands, the underwater marine life and the Best Dive Locations in Papua New Guinea. He and his wife Dinah were the first to introduce recreational divers to PNG. Here is the most authentic book you'll find on the reefs in Papua New Guinea's Milne Bay area. I highly recommend this book if you are planning a dive trip

to PNG or, if you are simply dreaming of one.
