JoAnna Downey : The Dog Lover's Companion to New York City: The Inside Scoop on Where to Take Your Dog (Dog Lover's Companion Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dog Lover's Companion to New York City: The Inside Scoop on Where to Take Your Dog (Dog Lover's Companion Guides):

6 of 6 people found the following review helpful. Nice asset for dog lovers; however, definitely double check sitesBy CustomerLiving in an area where there aren't many dog friendly places, yet within commuting distance of NYC, I thought this would be a good book to add to my collection. It has valuable resources like maps and contact numbers for the places they list. There are a variety of places you can go to with your pet. The reason I gave this book a 3 instead of a 5 is it lists Eisenhower Park as allowing dogs on leash. I have lived near this park for most of my life. To my knowledge they had never allowed dogs. I called to see if they changed their policy - so happy that a nearby place would allow me to bring my pet. Sadly, they confirmed never in their history have they allowed dogs within the park and you can receive a big ticket if you do. When I contacted the books publisher, I was told that was why the caveat of checking first is in the book. The caveat is nice, but I was still frustrated they listed this source when it was never an option. I have not had a chance to check on the other sites listed yet. So in summary, good for dog lovers living near or visiting New York City, but do your homework before you bring your pet. 3 of 3 people found the following review helpful. Good, not GreatBy Scott PorotMany of the parks listed as off leash are actually on leash. Its a good place to start, but be prepared to follow up to make sure the information is correct.

Offering the inside scoop on where dogs are welcome, this special breed of guidebook is perfect for travelers and residents who don't want to leave their canine pals behind. The newest addition to the series, *The Dog Lover's Companion to New York City* covers the Greater New York City area, including all five boroughs, Long Island, Westchester and Rockland Counties, northern New Jersey and southern Connecticut. Along with illustrations and maps, authors JoAnna Downey and Christian J. Lau profile all the dog-friendliest parks, beaches, recreation areas, hotels, restaurants, shops, events, weekend getaways, and more.

Indispensable to dog owners, dog lovers, or indulgent onlookers, and vastly entertaining as well.
