It's a fun idea for a book but after I gave it as a gift I realized it was dumb to give something outdated. I was embarrassed and wish I would have done better research before giving it.0 of 0 people found the following review helpful. Pretty decent bookBy jdog35Pretty decent book. I saw this book at REI for like 20.00 bucks and almost pulled the trigger. Figured I would check first. Good thing i did. The book is really good though. Its a nice book to throw in the car when your traveling so you know where you can take your pups.1 of 1 people found the following review helpful. no problems finding placesBy SeakiwiThis is a great little reference guide for finding things to do with your dog.I've only been to a few places so far but this book will certainly come with me everywhere I go with my dog in the northwest.Great find.
