Shelley Buchanan : The Drunken Tomato: San Francisco before purchasing it in order to gage whether or not it would be worth my time, and all praised The Drunken Tomato: San Francisco:

1 of 1 people found the following review helpful. AMAZING!!!!....I want all 3 cities nowBy Shane McKnightI am an avid collector of cocktail books and the Drunken Tomato books have been not only refreshingly clever, but amazingly relevant and helpful. These books actually help me find cool places to go find the best bloody mary's in whatever city I am in. I was inspired to check out her website and blog and they are just as entertaining and helpful as the books. She posts about bloody mary festivals around the country and whatever great bloodies she finds in other cities that do not

have books yet!!! very very very cool....
