This book is probably best appreciated by those readers of similar tastes and interests, especially those lucky enough to have spent considerable time in those magical places. While there are a few keen observations about Disneyland, and especially the parks in Tokyo, these short essays are largely autobiographical vignettes with the parks serving as settings and backgrounds. (For example, readers will learn how Mr Burbank met and wooed his wife during regular trips to Walt Disney World.) Those looking for extensive background information about the Disney Parks or advice on planning a trip to visit one will not find it here. However, readers for whom visits to them have marked important events in their lives may well find a kindred spirit in these pages.0 of 0 people found the following review helpful. Great Disney read.By CustomerGreat Disney read ahead of a trip to Tokyo Disney or anytime you want to be immersed in past, current, and soon to be nostalgia.1 of 2 people found the following review helpful. A journey in Walt's footstepsBy CARA LYNN BRANCHA well written book about the tales of a boy chasing Mickey's tale. It highlights the joy of Disney and its ability to sprinkle pixie dust on everyday life. The book is a memoir and well told. Everyone has a tale and this is Kyle Burbank's, he's not famous so you probably don't know him unless you move through Disney fan circles, but his love of Disney and the places it took him are a fascinating read whether you know him or not.

A Disney vacation is more than just a vacation. As author Kyle Burbank found out, the magic of the Disney Parks can follow you long after youve left the gates. From traveling around the world to meeting the woman who would be his bride, The Walt Disney Company has had an undeniable effect on the course of his life. The E-Ticket Life: Stories, Essays, and Lessons Learned from My Decidedly Disney Travels celebrates this and takes you along for over a decade of adventures that can all be pinpointed back to Disney-made memories. Throughout your travels, youll be treated to tales of villainous run-ins, humorous observations from a Disney locals point of view, and gorgeous illustrations that bring the stories to life. Whether youve never been to the Disney Parks or youre an Annual Passholder, The E-Ticket Life has something for you. Fans of the Mouse, seasoned travelers, or just about anyone who has ever fallen in love will be able to relate to the stories contained in this collection. If you want to plan your next visit to the Disney Parks, pick up a guidebook. But, if you want to go on a journey now, join Kyle Burbank on this exciting and entertaining E-Ticket ride.
