Carl Japikse : The Enchantment of Big Canoe, Bent Tree the North Georgia Mountains [LARGE PRINT]
before purchasing it in order to gage whether or not it would be worth my time, and all praised The Enchantment of Big Canoe, Bent Tree the North Georgia Mountains [LARGE PRINT]:

1 of 1 people found the following review helpful. Not exactly an "in depth look"By D. LudwigThis book is a local travel guide good for anyone who lives there and would like a snapshot of their region at this place in time or anyone

who will be traveling to the region. This is not a general interest title for someone who does not live there or is not intending to travel to there. Much of the book is comprised of specific descriptions of various businesses around the area, sometimes including hours and prices. I had purchased this title for my library's large print collection and found it to be inappropriate for that audience.

An in-depth exploration of life in the north Georgia mountains.

About the Author Carl Japikse is a teacher of Active Meditation and author of more than 60 books who specializes in the mind, the nature of creativity, and education. The founder of Walden Grove, a new direction in education, he lives with his wife Rose in the mountains of north Georgia. He writes a column, Above the Mean, for the internet twice weekly.
