**Carole Sabas : The Fashion Insider's Guide to New York** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Fashion Insider's Guide to New York:

4 of 4 people found the following review helpful. what an amazing present for someone visiting nyc.By T. SelbyWhat a great book. I got this guide for myself, and even though i consider myself a new yorker in the know I found so many new places to check out. I am going to get this for friends so when they visit nyc they have all the spots all in one little cool book they can bring with them.0 of 0 people found the following review helpful.
