**Alnah James Johnston : The footprints of the pheasant in the snow** before purchasing it in order to gage whether or not it would be worth my time, and all praised The footprints of the pheasant in the snow:

0 of 0 people found the following review helpful. This book captures a bygone era of the old Peking ...By ruth hsiaoThis book captures a bygone era of the old Peking and the influence of American missionaries and teachers in grooming a generation of young Chinese men and women who went on to play a major role in government as well as the academic world before the mid-20th-century Communist revolution. The author's voice and experience add depth and empathy in bridging the East-West gulf without sentimentality. An enjoyable read!
