I love the rivers- The French Broad is similar I am ...By Mike01I love the rivers- The French Broad is similar I am sure to many of the rivers the pioneers, maybe like my ancestors took to reach the places where they hunted and farmed and buried their dead.0 of 0 people found the following review helpful. DisappointedBy Kathleen ButtsThought it was going to be s hardback book, was disappointed when it was just a paperback for 50\$ Had planned to give it as a gift.1 of 1 people found the following review helpful. Good referenhcce.By MacI found it very informative about the area of the French Broad River. I live in that area and learned some more history of the area.

The French Broad has been called the classic example of an Appalachian mountain river and like most of the mountain region which surrounds it, nourishes paradox. That is the source of much of its allure- and despair. The French Broad is part of the famous Rivers of America Series published by Holt, Rinehart. There are more than 50 volumes in the series. In 1997, The French Broad was one of five honored by the Library of Congress at its Center for the Book.
