John Henderson : The Glovebox Guide to Transporting Horses before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Glovebox Guide to Transporting Horses:

This easy-to-use reference deals with all aspects of driving and maintaining horse trailers, including safety checks, driving skills, the care of horses in transit, loading problems, accident precautions and procedures, mechanical problems, and more.

About the Author John Henderson is a freelance journalist and photographer specializing in motoring and equestrian subjects. He has written on towing and horse transport matters for Horse and Hound, Horse and many other equestrian and motoring magazines and has towed horse trailers and caravans with a wide variety of vehicles.
