Genuine fans take the best team moments with the less than great, and know that the games that are best forgotten make the good moments truly shine. This monumental book of the Minnesota Twins documents all the best moments and personalities in the history of the team, but also unmask the regrettably awful and the unflinchingly ugly. In entertaining and unsparing fashion, this book sparkles with Twins highlights and lowlights, from wonderful and wacky memories to the famous and infamous. Such moments include the World Championships of 1987 and 1991 and the miraculous years when Bud Selig almost contracted the franchise, as well as the outrageous number of losses by Terry Felton and when manager Billy Martin punched out his starting pitcher in 1969. Whether providing fond memories, goose bumps, or laughs, this portrait of the team is sure to appeal to the fan who has been through it all.
