**William Francis Butler : The great lone land** before purchasing it in order to gage whether or not it would be worth my time, and all praised The great lone land:

The great lone land a narrative of travel and adventure in the North-west of America. This book, "The great lone land", by William Francis Butler, is a replication of a book originally published before 1875. It has been restored by human

beings, page by page, so that you may enjoy it in a form as close to the original as possible.
